COMMENTS

Thank you for your attendance and participation. The project team is interested in knowing what you think about what you have seen and heard tonight.

Please write your comments on this form and leave it at the registration table tonight. **You may also fax your comment sheet to 202-610-4471.** Thank you!

- 1) **What do you think about the purposes proposed for 14th Street Bridge project? Are there other purposes that should be added?**

- 2) **What needs or concerns should the 14th Street Bridge Corridor EIS be sure to address?**

- (3) **Do you have any other comments?**
